

# Kahoot

## Cockpit Project - Projeto Redes

### Questions (10)

1 - Quiz

**Quando foi criado o Cockpit Project?**

A screenshot of the Cockpit Project interface. It features a top navigation bar with 'Dashboard', 'System', 'Network', 'Storage', 'Filesystems', 'CPU', 'Memory', 'Logs', and 'Help'. Below the bar, there's a summary section with metrics like 'Uptime' (1 day, 1 hour, 1 min), 'CPU Usage' (100%), 'Memory Usage' (100%), and 'Disk Usage' (100%). The main area shows network traffic graphs for 'eth0' and 'eth1' and a list of 'Interfaces'.

Control buttons at the bottom include red, blue, yellow, and green arrows, along with a diamond button.

2 - True or false

**O Cockpit foi criado por Marco Bill?**

A portrait of Marco Bill, a man with dark hair and a blue shirt, standing with his arms crossed. He is positioned in front of a blurred background of a control room with multiple screens.

Control buttons at the bottom include blue, red, yellow, and green arrows, along with a diamond button.

3 - Quiz

**O Cockpit Project tem como objetivo:**

A screenshot of the 'Fedora Linux Cloud Edition' login screen. It shows fields for 'User name' (root) and 'Password', and a 'Log In' button.

Control buttons at the bottom include red, blue, yellow, and green arrows, along with a diamond button.

4 - Quiz

**Para aceder ao Cockpit temos de usar o ip da nossa máquina, mas também temos de colocar uma porta qual é?**

A screenshot of a terminal window titled 'Restore Session'. It contains the command 'ssh -L 22:127.0.0.1:22 root@192.168.27.95'. The window has a dark theme.

Control buttons at the bottom include red, blue, yellow, and green arrows, along with a diamond button.

5 - True or false

**A partir do Cockpit project podemos criar users?**

An icon depicting three stylized blue user profiles arranged in a triangular formation.

Control buttons at the bottom include blue, red, yellow, and green arrows, along with a diamond button.

6 - True or false

**Podemos configurar o Cockpit através de uma máquina Ubuntu**

A screenshot of a desktop environment with a dark theme. A dock on the left contains icons for various applications. The desktop background features the Cockpit logo.

Control buttons at the bottom include blue, red, yellow, and green arrows, along with a diamond button.

**7 - True or false**
